

My Body Parts

Grade K • SCIENCE • Students name common external body parts and match each part with a simple function. • Standards: 4-LS1-1

Look at each question about body parts. Draw a line or write the answer to show what each body part does!

1. What do you use to see things?
2. What do you use to hear sounds?
3. What do you use to smell flowers?
4. What do you use to walk and run?
5. What do you use to clap and wave?
6. What do you use to taste your food?
7. What do you use to kick a ball?
8. What do you use to chew your food?
9. What do you use to pick up a toy?
10. What do you use to turn your head to look around?
