

Community Jobs

Grade 1 • SOCIAL-STUDIES • Students match common jobs with the ways workers help their community. •
Standards: D2.Eco.6.K-2

Read about each worker. Then write how that person helps the community.

- 1.** A teacher works at a school. How does a teacher help?
- 2.** A doctor works at a clinic. How does a doctor help?
- 3.** A firefighter rides on a fire truck. How does a firefighter help?
- 4.** A mail carrier brings letters and packages. How does a mail carrier help?
- 5.** A farmer grows food on a farm. How does a farmer help?
- 6.** A bus driver takes children to school each day. How does a bus driver help?
- 7.** A construction worker builds houses and roads. How does a construction worker help?
- 8.** A veterinarian takes care of animals that are hurt or sick. How does a veterinarian help?
- 9.** A librarian works at the library and knows where all the books are. How does a librarian help?
- 10.** A chef cooks meals in a restaurant kitchen for many people. How does a chef help?
