

Places in My Neighborhood

Grade K • SOCIAL-STUDIES • Students identify common places in a neighborhood and describe what people do there. • Standards: D2.Geo.2.K-2

Look at each question about places in a neighborhood. Write or say your answer for each one.

1. Where do you sleep and eat with your family?
2. Where do children go to learn and play with friends during the day?
3. Where can you play on swings and slides outside?
4. Where can you borrow books to read?
5. Where do people buy food and things they need?
6. Where do firefighters keep their trucks and work to help people?
7. Where do doctors and nurses help people who are sick or hurt?
8. Where can you mail a letter or package to send to someone far away?
9. Maria goes to a place where she can pet animals and see a veterinarian. Where is she?
10. Ben's dad works at a place where people bring their cars to get fixed. What is this place called?
